CRISTAL 1 LEOPARD 24

The Leopard 24 from the Italian shipyard Arno is a masterful embodiment of luxury and performance, distinguished by its unique style and unparalleled comfort. This motor yacht, with its elegant lines and aerodynamic profile, promises an exceptional sailing experience, combining speed and stability at sea.

AFT DECK

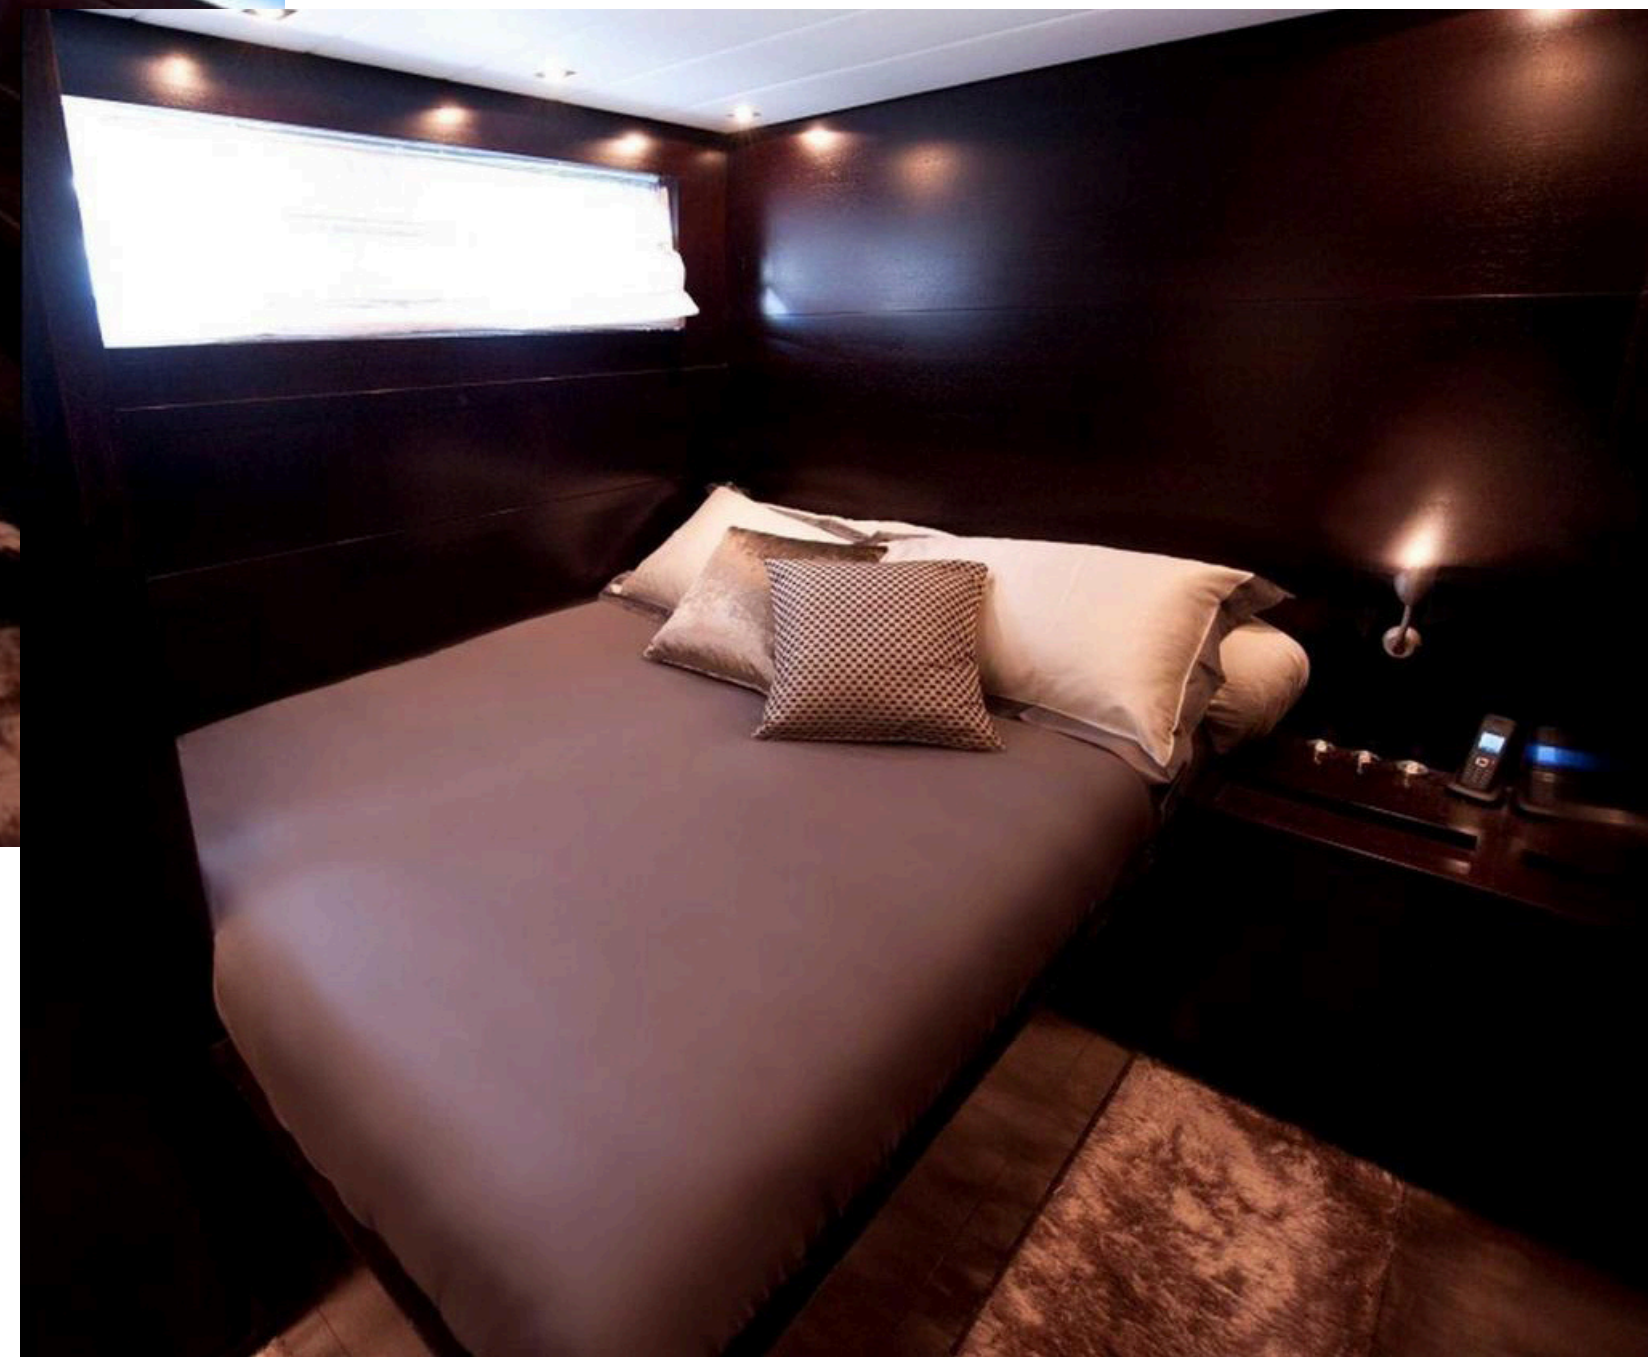

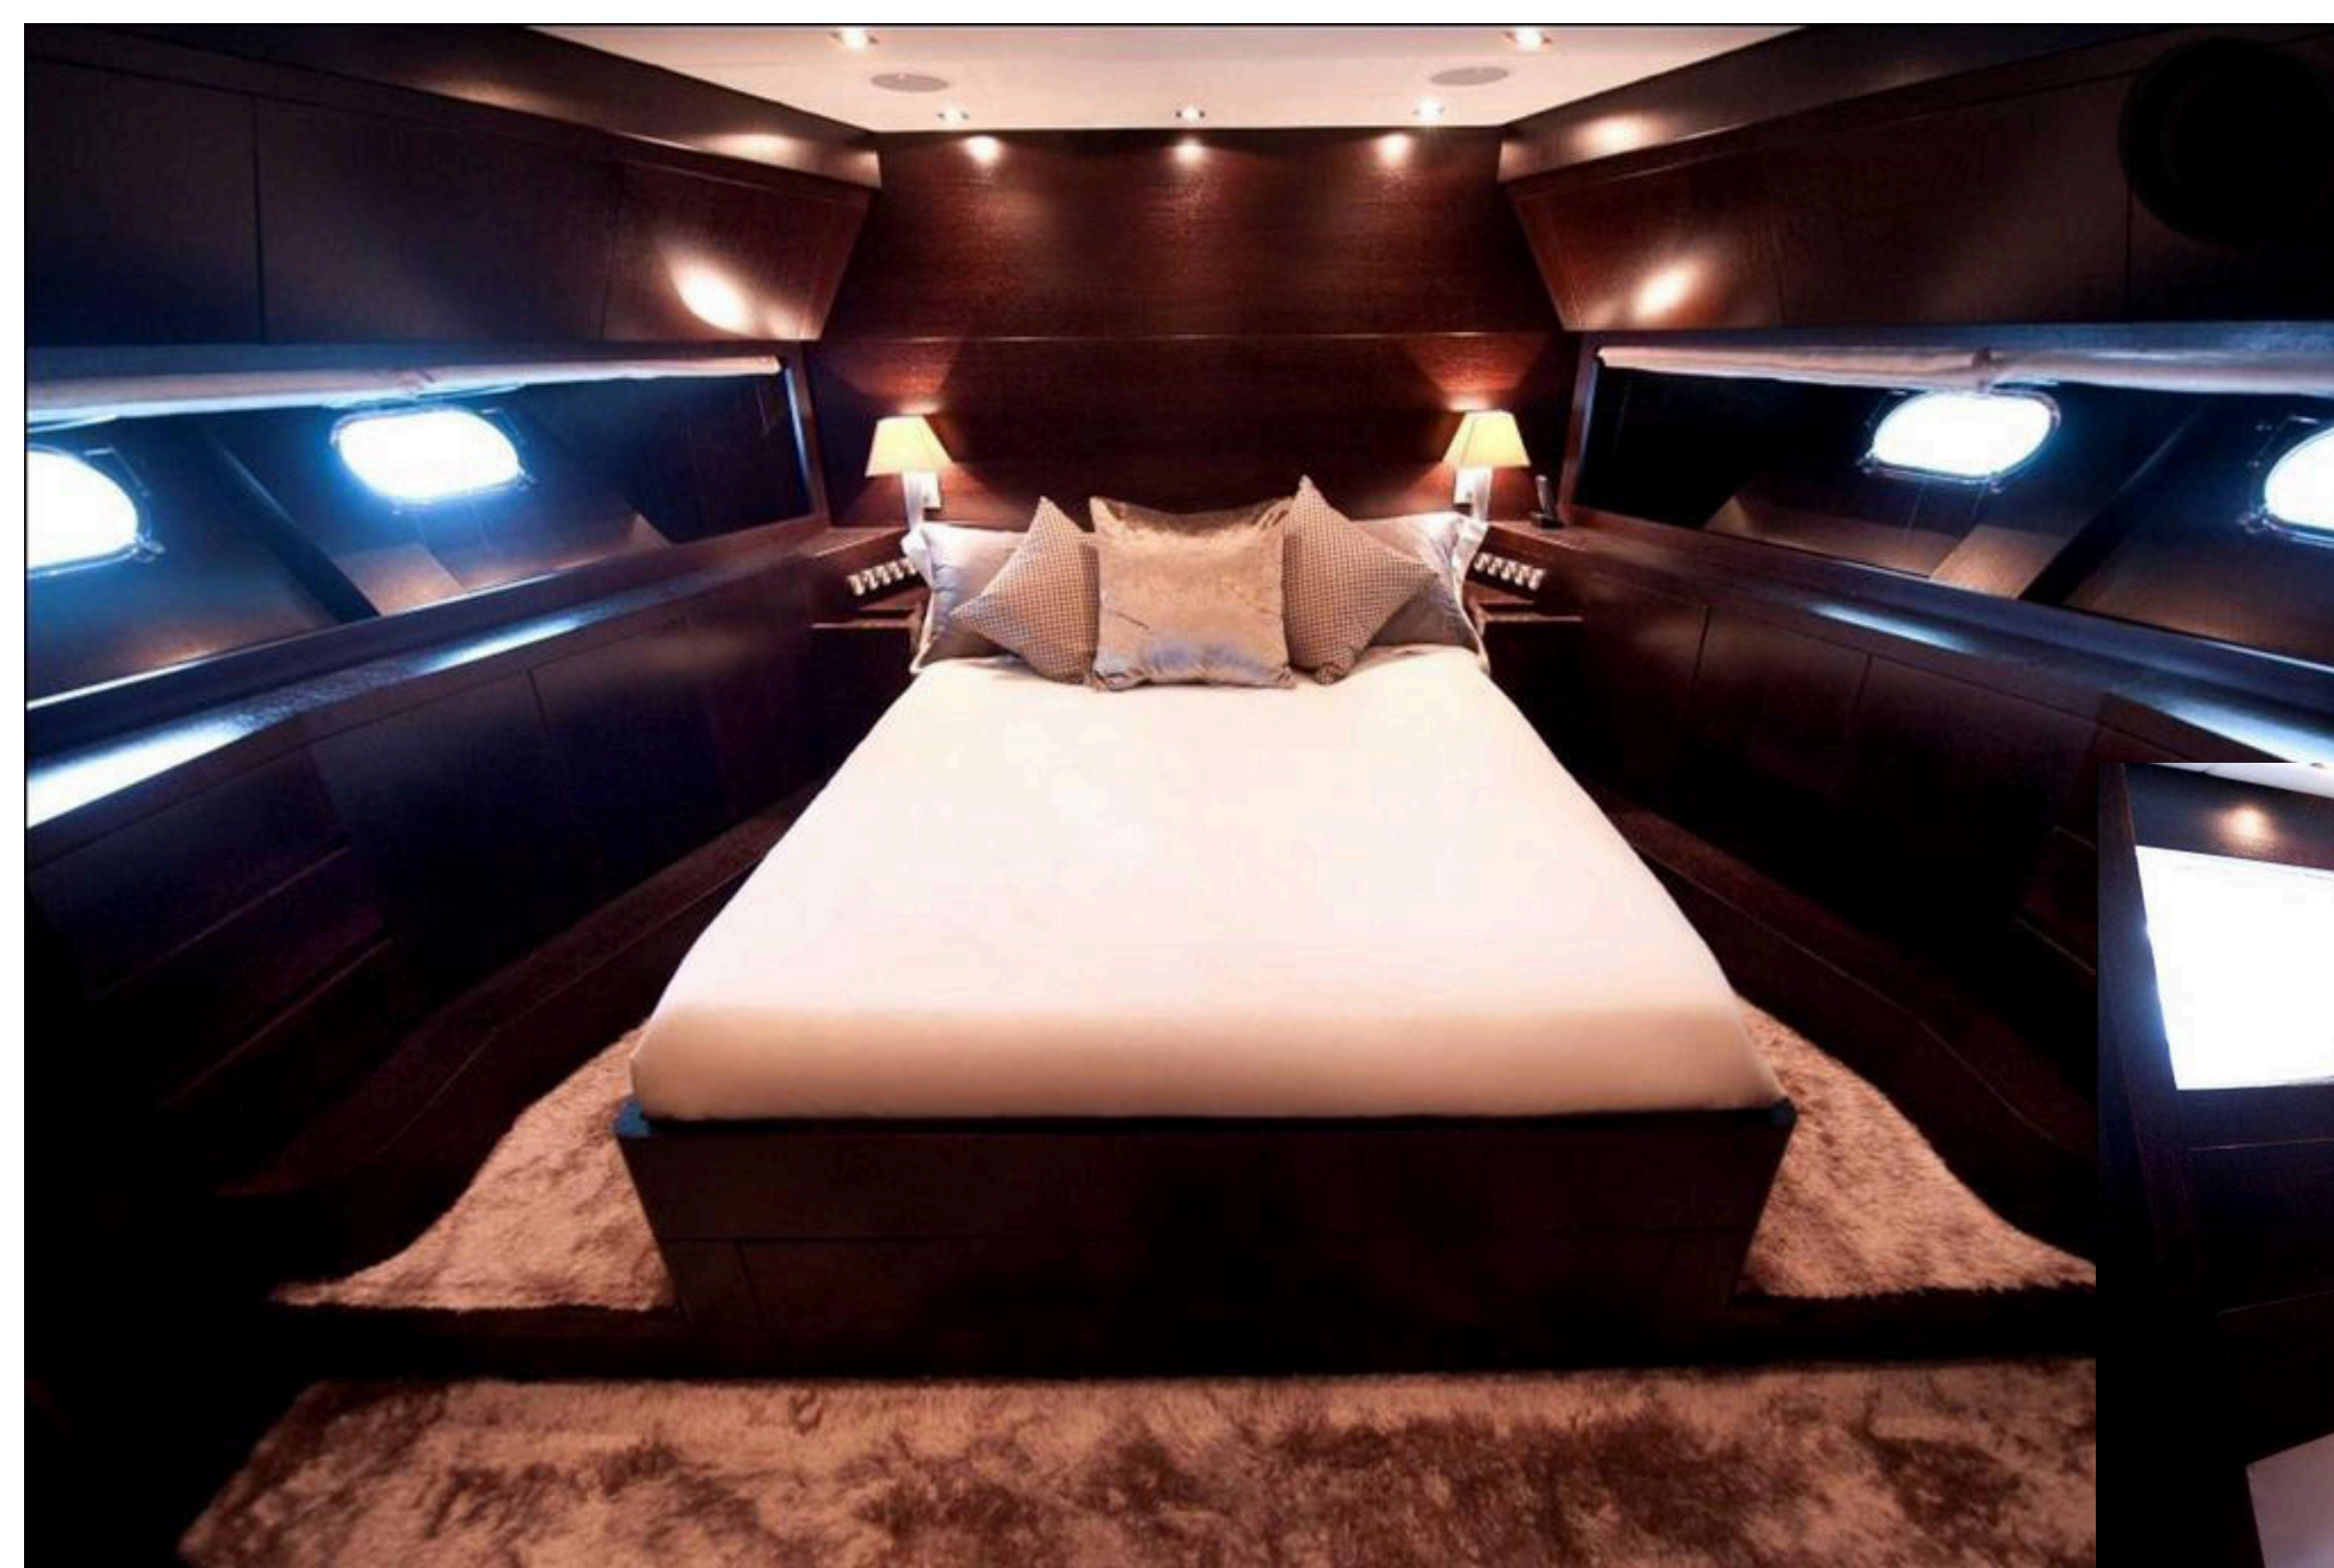

The exterior spaces of the Leopard 24 are equally impressive. The main deck offers a vast relaxation area, with sun loungers and an outdoor dining area, ideal for enjoying the Mediterranean climate. The flybridge, accessible via an elegant staircase, provides additional space for entertainment and relaxation, with a bar, grill, and jacuzzi, allowing guests to savor the freedom and beauty of the sea in absolute comfort.

SALON

The elegant and welcoming salon is the perfect place to relax or entertain guests, with its state-of-the-art audio-video system and comfortable, designer furniture. The kitchen, equipped with the latest technology, allows for the preparation of gourmet meals, highlighting the importance of dining pleasure.

INSIDE / CABINES

The interior of the Leopard 24 is designed to offer a luxurious and comfortable environment. High-quality materials, such as precious woods, soft leathers, and stainless steel finishes, are carefully chosen to create a space that is both modern and warm. The spacious and bright main cabin, thanks to its large windows, offers a stunning view of the sea, turning every moment on board into a memorable experience.
